KERASAN

Waldorf
Design Massimiliano Cicconi

Lusso da primi anni del '900, architettura neo-gotica americana, linee nobili e raffinate: sono tante le suggestioni che il nome Waldorf evoca. Kerasan ha reinterpretato proprio queste ispirazioni, per creare una collezione di sanitari di alto livello estetico e qualitativo, che trovano la loro collocazione ideale in ambienti arredati con grande eleganza, sia tradizionale sia contemporanea.

Gli elementi caratterizzanti sono la forma rettangolare ammorbidita da angoli stoncati e bordi a doppio spessore, che richiamano uno stile classico e monumentale. Articolata in tutti gli elementi del bagno, la nuova collezione Waldorf si pone al vertice della gamma di sanitari firmati Kerasan.

Early twentieth-century luxury, neo-Gothic, American architecture and noble, elegant lines: just a few of the many styles suggested by the name Waldorf. Kerasan has re-elaborated these inspirations to create a collection of exquisite, high-quality sanitaryware which is ideal with very elegant furnishings, both traditional and modern. Its main features are the rectangular shape which is softened by rounded corners, and extra thick edges which evoke a classic, monumental style. The new collection by Waldorf includes all bathroom elements and represents the ultimate of Kerasan's range of sanitaryware.
